IDEAL PRO SERIES BAGS & CARRIERS

Backpacks

The IDEAL® Pro Series Dual Compartment Tool Backpack provides a storage and transport solution for any tradesperson. The versatile design includes two compartments that can open to a lay-flat position for flexible use on the floor, bench or hoist. The backpack has an abundance of interior and exterior organizational pockets, an integrated drill holster as well as dedicated space for a laptop and/or tablet. The protective phone/glasses case safeguards your most vulnerable items while on the job and the removable tool pouch and bit holder allow for extra versatility and storage. Exterior pockets include a large double slotted front pocket that easily accommodates fish tapes, a water bottle carrier and a nickel-plated tape measure clip. The interior includes a wide variety of tiered pockets to hold screwdrivers, meters, bit holders, power drills, etc. The rugged moulded bottom is designed to hold up in harsh environments.

Features:

- 18 total pockets
- Moulded plastic bottom for durability
- Fish tape holder
- Hard protective phone/sunglasses case
- Padded straps for added comfort
- Includes tape chain and tape measure clip
- Drill holster, removable tool pouch and dedicated laptop/ tablet pocket available on 37-000 model only
- Dimensions

  37-000 16 in. x 19 in. x 10-1/2 in.
  37-001 14-1/2 in. x 18-1/2 in. x 9 in.
