The RS 80 profile offers you a wide range of mounting options, as both mounting rail and wall mounting are possible. This allows flexible adaptation to your spatial conditions and requirements. For particularly heavy components, additional locking feet can be used to improve stability.

Another advantage of the RS80 profile is that it can be individually cut to size. This gives you the freedom to design the system exactly according to your needs.

General ordering data

Version	Accessories, Crosshead screw
Order No.	4011200000
Type	LKSC M2,9X13VZ
GTIN (EAN)	4032248415014
Qty.	100 pc(s).
