INTRODUCTION

Protect your electronic projects from rain and water splash using this waterproof IP68 enclosure. Made from high-quality ABS material, these boxes are sturdy and terrific for use indoors and outdoors. Each box has a transparent cover with a lid gasket, and there are screws and screw decorative caps in the package. Aside from that, the “ears” on the enclosure allow you to easily fix it on other objects. This project box is suitable for LattePanda V1, Raspberry Pi, and other boards with smaller sizes.
