Product Description

Our line of null modem serial cables allows two DTE or DCE devices to communicate with no conflict in data transmission. The transmit and receive signals are crossed to ensure proper data transmission. Each null modem cable is designed with a rugged, overmolded construction that provides added strain relief and a solid connection each time.

Plus the cable is foil shielded for EMI/RFI protection from surrounding office equipment and flourescent lights. Thumbscrew connectors provide a fast, easy connection every time.

WARNING: Cancer and Reproductive Harm www.P65Warnings.ca.gov

Product Specifications

Color :	Beige
Length :	25.00 Foot
UPC :	757120030331
Warranty :	Lifetime
Vendor :	C2G
Weight :	0.820 LB
