Full HD recordings*

Memory Cards | microSD UHS-I Cards

Transcend's microSD UHS-I memory cards provide the performance and capacity necessary to harness the full power of your UHS-I compliant smartphones, tablets, digital cameras, and camcorders. With unparalleled transfer speeds, these cards can easily capture ultra-high quality 4K and 3D recordings, and significantly shorten transfer time between devices. Additionally, the top-tier MLC NAND flash chips inside are durable and reliable.

MLC NAND flash memory (Ultimate)

Compatible with multiple devices

- Built-in Error Correction Code (ECC) can detect and correct transfer errors
- Protection against extreme conditions
- Exceptional reliability and long-life data retention
- Limited Lifetime Warranty
