### Identification

|               |                               |
|---------------|-------------------------------|
| Category      | System cabling                |
| Series        | HARTING ix Industrial®        |
| Element       | Cable assemblies              |
| Specification | Pre-assembled on both sides   |
| Connector 1   | HARTING ix Industrial® Type B |
| Connector 2   | HARTING ix Industrial® Type B |
| Type of cable | Copper cable (round)          |

### Version

|                    |                    |
|--------------------|--------------------|
| Cable length       | 2 m                |
| Number of cores    | 10                 |
| Core structure     | 10x AWG 26         |
| Termination method | Solder termination |
| Coding             | Type B             |

### Technical characteristics

|                      |                    |
|----------------------|--------------------|
| Rated current        | 1.5 A              |
| Rated voltage        | 50 V AC<br>60 V DC |
| Limiting temperature | -40 ... +80 °C     |

### Material properties

|                  |                    |
|------------------|--------------------|
| Material (cable) | PUR (polyurethane) |
|------------------|--------------------|
