

## Screw - Phillip Head (M3 x 12mm, 3 pack)

PRT-13227 ROHS

DESCRIPTION

These are Philips-head M3 screws. They are 12mm long and come in packs of three. This is the screw size that the MiP robotic Platform and its add-on boards uses. Check below for the associated hardware.

last updated about 8 months ago

these are M3-0.5 screws, which will fit at least the standard gearmotors (and probably the others as well). Their general info is here: <https://s3-us-west-2.amazonaws.com/fastenersuperstore.com/files/product-specs/metric-screws-machine-pan.pdf>.

In 2003, CU student Nate Seidle blew a power supply in his dorm room and, in lieu of a way to order easy replacements, decided to start his own company. Since then, SparkFun has been committed to sustainably helping our world achieve electronics literacy from our headquarters in Boulder, Colorado.

No matter your vision, SparkFun's products and resources are designed to make the world of electronics more accessible. In addition to over 2,000 open source components and widgets, SparkFun offers curriculum, training and online tutorials designed to help demystify the wonderful world of embedded electronics. We're here to help you start something.
